

Dial-In Audio Broadcast Service

As a public service, the July 11 meeting of the Fair Political Practices Commission will be broadcast live via a dial-in telephone service.

Those wishing to listen on their telephone or speaker phone can simply dial a toll-free number and an access code at any time following the start of the meeting at approximately 9:45 a.m.

The number is: 1-888-380-9636

The participant code is: 447183

The FPPC will be billed by its service provider for the time used by each listener. Therefore, to help ensure the success of the project, we would ask that users of this service limit their listening to only those agenda items of interest to them.

The broadcast service, which is being conducted on a trial basis, is a project of the Public Education Unit of the FPPC.

The unit will evaluate the project following the July meeting. The unit also is considering other options such as computer audio webcasting of Commission meetings. Please feel free to direct any comments or questions to Jon Matthews, FPPC publications editor, at jmatthews@fppc.ca.gov, or (916) 323-2937.
